

The All-Around

March 2026

TEAM COMPETITIONS

The competitive team is putting the final touches on routines for the remaining meet of the season (Field of Dreams March 6-8 in Clive, IA). They are all working so hard as they approach the State Meet in Bettendorf, IA on March 27th-29th. If silver through diamond level gymnasts get a qualifying score at the State Meet, they have the opportunity to compete at the Regional Meet in Sioux City, IA. At the regional meet those that qualify will compete against gymnasts within our seven state region on April 17th-19th.

We would like to congratulate all our team members on their hard work and success this season and wish them good luck at their remaining meets

and State Meet.

BUTTER BRAID FUNDRAISER

Salute Gymnastics has wrapped up our annual Butter Braid fundraiser. This year we sold 550 Butter Braids. Thank you to those that have helped us raise money for new equipment. The braids will be delivered and ready for pick up on March 12th around 5pm. Please be prepared to pick up the braids from your orders and deliver them promptly as they will arrive frozen. We will need a couple of volunteers that will be helping to distribute the orders when they arrive.

**Last year we used proceeds from the Butter Braids to purchase two octagons, mounting board, and back handspring boulder.

HOUSE KEEPING ITEMS

- Hair needs to be pulled back away from your child's face when coming to class. Even shorter hair! Many kids have been showing up without a hair tie. Please plan ahead and have their hair pulled back.
- All tuition needs to be paid by 5th of each month. If you pay with a check, make sure your child's name is on the check.

OPEN GYM SCHEDULE

We will have two open gyms for the first time in a while. The open gyms will be on **Saturday, March 14th 10-11am & Sunday, March 22nd 1-2pm**. The cost is \$5 per person for members, \$8 for non-members and all kids are welcome to attend. If we can fit another one in, we will keep you posted.
