

The All-Around

October 2020

ONLINE REGISTRATION IS READY TO GO

Our online registration is up and running and online payment is set up and ready as well. Each current Salute Gymnastics family needs to go to <https://app.jackrabbitclass.com/regv2.asp?id=541649> to set up your family information if you haven't done so already. You will need to fill in your information and add your child into their current class/classes. If you are having trouble getting your child into a class, I can make corrections as necessary. I know many of you have recently filled out registration by hand, but if you could take a few minutes to enter your information to get us up and going, that would be great! If you register in the middle of the month, please allow us to go into your account and apply the correct payment amount necessary. When you register in the middle of a month, the system thinks you started with Salute on that date and prorates the fees. If you have already paid, I will post the correct fees and then show the payment made with your account.

Once you are registered, you can go to our Parent Portal (<https://app.jackrabbitclass.com/jr3.0/ParentPortal/Login?orgID=541649>) to check on class sizes, payment information, etc. If an issue arises, please let Teresa or Jeremy know to fix the issue.

MEDICAL CONCERNS

With Covid-19 keeping its presence known in Southwest Iowa, do not have your child come to the gym if they have been exposed to the virus. Once they are cleared to go back to school functions or off quarantine, then they will be allowed back. If a member of your family has tested positive or shows symptoms, please keep your children at home until things are back to being virus free.

We also understand that allergies and colds are common right now. If your child is not feeling well, we ask you to please keep them at home until they are feeling better. If your child didn't go to school, don't bring them to the gym. Call or email that your child will not be in class and then you are welcome to make up the missed class. I love for kids to share, just not their sick germs.

THINGS TO KNOW

When sending kids to the gym, please remember to send them with a water bottle. Our drinking fountain is closed during this time. Coaches are allowed to refill water bottles if all their water is gone.

Starting January 1st, 2021, Salute Gymnastics will be increasing our rates for recreational classes. The \$47.50 class rate will go to an even \$50.00, Parent n' Tot class will go from \$23.75 to \$25.00. All other rates will remain the same.

9-year Anniversary

October 24th, 2020 will be the 9th Anniversary of the day Salute Gymnastics opened its doors for the very first time. Thank you all for the continued support of Salute Gymnastics. We appreciate you all and love to see the progress with each gymnast as they grow. Thank you to everyone for the support you have provided us. It has been a blessing working with the kids and providing them an opportunity to have fun, build their skills, get valuable exercise, and to compete with peers from around the state and region. We could not have done this without your support. Thank you again and here's to several more years to come.
